The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration Los Angeles, CA 90012

Dear Supervisors:

Board of Supervisors GLORIA MOLINA First District

MARK RIDLEY-THOMAS Second District

ZEV YAROSLAVSKY Third District

DON KNABE Fourth District

MICHAEL D. ANTONOVICH Fifth District

PROPOSITION 218 – MODIFY AND EXPAND THE
HISTORIC WATERFRONT DISTRICT (SAN PEDRO) PROPERTY BUSINESS
IMPROVEMENT DISTRICT IN THE CITY OF LOS ANGELES
(FOURTH DISTRICT) (3 VOTES)

SUBJECT

This action recommends support for the modification to the Historic Waterfront District (San Pedro) Property Business Improvement District (District) in the City of Los Angeles (City) for a five-year period beginning January 1, 2013, at an annual cost to the County of \$5,400.

IT IS RECOMMENDED THAT THE BOARD:

Support the Historic Waterfront Property Business Improvement District Owners' Association, San Pedro Property Owners Alliance's effort to modify and expand the District to include changes in budget category expenditures while continuing enhanced services and activities, including maintenance, sanitation, beautification, communication, and marketing services and economic development programs, and coordinate homeless services within the District at an annual cost to the County of approximately \$5,400; and direct the Chief Executive Officer to cast the ballot in support of the property assessment. The assessment is funded 100 percent with Environmental Health Fees.

PURPOSE/JUSTIFICATION OF THE RECOMMENDED ACTION

Support for the modification and expansion of the District will continue the enhanced maintenance, beautification, marketing, economic growth and advocacy administration above and beyond those previously provided by the City in the area within the modified and expanded District.

"To Enrich Lives Through Effective And Caring Service"

Please Conserve Paper – This Document and Copies are <u>Two-Sided</u> Intra-County Correspondence Sent Electronically Only The Honorable Board of Supervisors September 18, 2012 Page 2

The District includes APN 7455-025-904, the County-owned San Pedro Public Health South Bay District Environmental Health/Harbor Free Clinic located at 122 West 8th Street, San Pedro.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan Goal of Integrated Services Delivery (Goal 3) directs that we maximize opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services. Support for the benefit assessment levied on this County property to increase security and maintenance of public common areas and street frontage fills an identified need and supports this goal.

FISCAL IMPACT/FINANCING

Should the modification and expansion of the District be successful, the first year total District assessment will begin January 1, 2013, and is estimated to be \$987,418. The total annual assessment on the County property will be approximately \$5,400, or 0.55 percent of the District's total annual assessment, a 2.91 percent reduction from the Fiscal Year (FY) 2011-12 annual assessment. The assessment is funded 100 percent with Environmental Health fees. This cost will be paid by the Rent Expense budget and charged to Public Health-Public Health Programs. Sufficient funding is included in the FY 2012-13 budget to service the required appropriation. Thereafter, the annual assessment may be adjusted to reflect changes to the Consumer Price Index (CPI) not to exceed an increase of 3 percent annually, or by a re-balloting of property owners.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

With the passage of Proposition 218, property owned by government agencies became subject to assessment by various County and non-County assessment districts on July 1, 1997. The County, like other property owners, is able to cast ballots supporting or opposing the assessments and its ballots will be weighted to reflect its proportionate share of the total assessment. Publicly owned properties are not exempt from the assessments unless the parcels receive no special benefit. The assessing agency cannot increase an assessment or impose a new assessment if a majority of the ballots returned opposes the proposed assessment.

The Historic Waterfront Property Business Improvement District Owners' Association, San Pedro Property Owners Alliance, a California nonprofit corporation, has requested the City Council to initiate proceedings to secure property owner approval to modify and expand the District. If successful, the District will have a five-year term commencing January 1, 2013, and expiring on December 31, 2017.

The Honorable Board of Supervisors September 18, 2012 Page 3

The City Council has scheduled the Public Hearing on this matter for September 25, 2012, and will renew the District if ballots supporting the modified and expanded District are submitted by property or business owners who pay more than 50 percent of the assessment proposed to be levied. The method of assessment is determined by gross square footage of lot size, plus gross square footage of building(s).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Support for this benefit assessment will make possible the revitalization of the Historic Waterfront area of San Pedro by continuing to provide maintenance, sanitation, and beautification services, economic development programs, and coordination of homeless services.

CONCLUSION

It is requested that the Executive Officer, Board of Supervisors, return the adopted stamped Board letter to the Chief Executive Office, Real Estate Division, 222 South Hill Street, 4th Floor, Los Angeles, CA 90012 for further processing.

Respectfully submitted,

WILLIAM T FUJIOKA Chief Executive Officer

"The duration of the payments": From Page 2 of the Management District Plan:

"The renewed SPHWBID will have a five-year life beginning January 1, 2013. After five years, the petition process, ballot process, and City Council hearing process must be repeated for the SPHWBID to be re-established."

• "The reason for the assessment":

From Page 13 of the Management District Plan:

".. The programs and services provide special benefits, and all benefits derived from assessments outlined in this Management District Plan are only for programs and services directly benefiting the individually-assessed parcels in the District. The services are designed to increase foot traffic, improve the commercial area, increase marketing of commercial entities in the District, improve the aesthetic appearance of the District, and to provide these services only to individually-assessed parcels within the District boundaries...."

Please refer to Section 3, Pages 7-11 of the Management District Plan for a full narrative description of the proposed services, which are summarized below:

1. Pedestrian and Tourist Ambassador Service

The ambassador service will assist customers, pedestrians, tourists, tenants and residents by answering questions, providing directions and referrals, and distributing maps and information about the district area. These services will continue to be provided in the area that was the original district, and will be expanded into the new areas of the district. The ambassadors' service will promote commercial and recreational opportunities that are provided on publicly and privately owned

individually assessed parcels throughout the District boundaries. The ambassadors' presence is intended to create and enhance pedestrian perceptions of comfort and safety in an effort to specially benefit individually assessed parcels by improving commerce on those parcels. These services, which were not being provided prior to creation of the district, will continue to serve as a catalyst for increased vehicle and pedestrian traffic patterns and linkages within the District.

a. Zone 1A

Individually-assessed parcels in Zone 1A have a high amount of pedestrian traffic and will receive special benefit from all of the District's pedestrian and tourist-related services described above, including multiple shuttle stops. Kiosks will benefit Zone 1A individually-assessed parcels by advertising the amenities and services available in Zone 1A.

b. Zone 1B

Individually-assessed parcels in Zone 1B have a moderate need for pedestrian services because they have a moderate amount of pedestrian traffic.

c. Zone 2

Individually assessed parcels in Zone 2 will receive special benefit from all of the services described in Section A above, including two shuttle stops. Zone 2 will receive the majority of these services only on specific days, as it has a high amount of traffic on days when cruise ships are in port and nearly no traffic on days when cruise ships are not in port. Tourism ambassadors will be provided in Zone 2 only on days when cruise ships are in port, approximately 6 hours per day, 120 days per year. Ambassadors will specially benefit Zone 2 individually assessed parcels by providing assistance and direction to Zone 2 pedestrians.

2. Sanitation, Cleaning, and Beautification

Sanitation, cleaning, and beautification programs will maintain the uniform standard of operation, cleanliness and beauty throughout the District. Activities may include: sidewalk sweeping, monthly sidewalk pressure washing; street sweeping; porter service; cleaning of vacant lots; painting of fixtures including fire hydrants; graffiti removal; street litter and illegal dumping pick-up; cleaning bus shelters and bus stops; street and alley cleaning patrols to remove litter, graffiti, stickers, and weeds; irrigation, operation, and trimming and cleaning of landscaping including trees and tree wells, art, lighting and other streetscape improvements; street tree "twinkle" lighting, holiday decorations, street lights and banners, and utility services. These services will be provided on rights-of-way, parkways, and medians surrounding the Maritime Museum; and the Ports O'Call Village; and rights-of-way, parkways, medians, easements, and parking lots within the District. Additional cleaning along the rights of way for North Harbor Drive, a gateway into the District, is needed and will be provided. Neither the City of Los Angeles nor the Port of Los Angeles is currently conducting any of the described services. District activities will also continue to enable conducting events within the District, which will characterize a real downtown / waterfront connection, by supporting the burden created by such events.

a. Zone 1A

Individually-assessed parcels in Zone 1A will receive all of the services described above.

b. Zone 1B

Individually-assessed parcels in Zone 1B have a moderate need for the services described above because they have a moderate amount of pedestrian traffic. Services will be provided as needed rather than on a daily basis.

c. Zone 2

Individually-assessed parcels in Zone 2 will receive special benefit from all of the services described above. Services will be provided as needed rather than on a daily basis.

3. Marketing, Promotions, and Waterfront Special Events

Marketing, promotions, events, signing and public relations initiatives will build upon the established District identity. Activities will continue to focus on waterfront attractions, tourism, and weekend and holiday special events. Events and activities will be planned and conducted along the waterfront, adjacent parking lots, adjacent streets, and throughout the District area. Other initiatives may include: website updates and operation, newsletter publication, graphics program development, branding and marketing program development, printing and advertising, public relations activities, special events and activities, advertisements, and placement of promotional materials in various media. Events may include waterfront concerts, food festivals, maritime displays, military resource displays, and sports activities. None of the described marketing and promotions activities were being provided prior to District establishment. The District programs will not duplicate any marketing or promotions currently provided by others.

a. Zone 1A

Individually-assessed parcels in Zone 1A will receive all of the services described above. Marketing may include television ads, social media, direct mail, print ads, special events and festivals.

b. Zone 1B

Individually-assessed parcels in Zone 1B will receive all of the services described above.

b. Zone 2

Individually-assessed parcels in Zone 2 will receive all of the services described above.

4. Policy Development, District Management, and Administration

District activities will be managed by a professional manager who may be assisted by centralized administrative support. Management and other positions that may be hired in connection with the District include an executive director, administrative assistant, and clerical assistant. These positions may be employees or contractors at the discretion of the owners' association board of directors.

Each zone will pay its fair share of the administrative cost. The share of each zone shall be directly proportional to the amount of the District's services provided in that zone. Individually-assessed parcels in each zone will specially benefit from these services, which will increase commerce on those parcels.

5. Contingency and Renewal

A prudent portion of the District's budget will be retained in a contingency fund to cover the costs of uncollected assessments, unanticipated or increased program costs, and variations in the market price of District services. Contingency funds will only be spent for special benefit to the individually-assessed parcels in the District, on expenses within the confines of this Plan. If at the time of District expiration there are contingency funds remaining and owners wish to renew the District, those funds could be used for the costs of District renewal.

• "The basis upon which the amount of the proposed assessment was calculated":

From Page 14 of the Management District Plan, the following is the proposed assessment methodology:

"Assessment Methodology

Individually-assessed parcels shall be assessed a parcel square footage rate and a building square footage rate according to the proportionate special benefit derived from the services provided to that individually-assessed parcel's benefit zone. The assessment rates are shown below. A detailed description of the services provided by the District within each benefit zone is included in Section V, Services, of this

Management District Plan. The assessment rate differentials between Zone 1A, 1B, and 2 parcels are addressed in the Engineer's Report."
